

ANNOUNCING! UPCOMING LVUMC MEMBER PHOTO DIRECTORY

We need **YOU** to make our church family album and membership directory complete! Our new free directory will tell the story of our church, our members, leaders and activities. This important tool will strengthen the bond we share.

In the coming weeks in October, you will be asked to sign up for a portrait sitting. Each church member household will have the opportunity to have their photograph professionally taken. The photo sessions are scheduled for the second week in November in our church building.

Lifetouch Church Directories and Portrait Studio will have professional photographers on hand to take the photos, assist you with viewing your photos immediately after they are taken, and making your directory selection. They will also have sales staff on hand if you wish to purchase additional portraits or packages for your personal use. All of this will be accomplished during your scheduled photo session.

This is a great opportunity for a family portrait or a portrait of yourself; professional photographers, close to home, inclusion in church history, no sitting fee! Plus each member household who sits for a portrait session will receive a free 8x10 photo and a completed membership directory.

VOLUNTEERS NEEDED: If you would like to volunteer to be a host and assist Lifetouch on one of the photo session days in our church, please contact Rose Land by email at roseland@austin.rr.com or call her at (512)924-2208. We will need 3 -5 volunteers who will greet the families and assist in maintaining the sitting schedule and 2-4 volunteers who will be able to arrange (and rearrange) the church before and after the portrait sessions.

STAY TUNED FOR ADDITIONAL DETAILS AND ANNOUNCEMENTS REGARDING THE PHOTO DIRECTORY AND THE SIGN-UP PROCEDURE.
